

REMARKS/ARGUMENTS

Claims 9 and 10 are rejected under 35 U.S.C. 102(e) as being anticipated by Samuel, et al. (USPN 6,018,766), hereinafter referred to as Samuel.

The Applicants thank the Examiner for telephoning Applicants below named agent on 21 April 2006 letting Applicants know that Claims 1-8 have been allowed but that Claims 9 and 10 do not include the allowable limitations of Claims 1-8. As such, Applicants have amended independent Claim 9 to include the allowable limitations of Claim 1. Specifically, as the Examiner noted in the telephone call, the limitations added in Applicants' amendment dated 21 March 2006 to Claim 1 have been added to amended independent Claim 9. Since the Examiner has already examined these limitations and found them to be lacking from the prior art, Applicants believe that the rejected Claims 9 and 10 are allowable. Further, since the Examiner has already examined these limitations, Applicants believe that the claims as amended do not raise issues of new matter and do not require further consideration or search. See MPEP 714.13.

Applicants thank the Examiner for indicating the allowability of Claims 1-8, and pray that Claims 1-10, as amended, are in allowable condition. Applicants pray that an early notice of allowance will issue.
